ROEI BACHAR

REACT DEVELOPER

Graduate of the John Bryce College full-stack web development course. Expertise in technologies such as **React** and **TypeScript**, **NodeJS**, and **SQL**. Excellent team player, enjoy challenges, fast learner and diligent.

MILITARY SERVICE

During my military service, I made orders and approvals for the purchase of oils and fuels from factories both in Israel and abroad using the SAP system. This was done in coordination with the procurement and production administration at the Ministry of Defense for IDF bases throughout the country.
